Pooreunhaneul Choi

(Pooha Choi)

blue_sky@kaist.ac.kr | poohachoi.github.io

CV – Short, Public Version

Education

Korea Advanced Institute of Science and Technology (KAIST) Daejeon, South Korea
B.S. in Mathematical Sciences 2023 – Expected Feb. 2027

Research Interests

Algebraic K-Theory, Algebraic Geometry, Complex Geometry, Number Theory

Independent Study

Algebraic K-Theory and Algebraic Geometry
Supervised by Prof. Jinhyun Park, KAIST

Talks

- **MCUS 2027** Jan. 2027
  Beyond Dimensions: An Invitation to Algebraic K-Theory
  Invited Talk (Scheduled), Sungkyunkwan University
- **KUSP Math Club Meeting** Feb. 2026
  Sheaf, Variety, and Scheme with a View Toward History
  KAIST
- **MCUS 2026** Jan. 2026
  What is Complex Geometry?
  Lightning Talk, Sungkyunkwan University

Honors and Awards

KAIST Character Scholarship

Leadership and Service

- President, Student Council, Department of Mathematical Sciences, KAIST (2025)
- Sophomore Class Representative, Department of Mathematical Sciences, KAIST
- Vice President and Treasurer, Mathematics Academic Club
